2/ E/1994/114.

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, and all other resolutions adopted by United Nations bodies on the subject, including in particular Economic and Social Council resolution 1993/55 of 29 July 1993,

Reaffirming the responsibility of the specialized agencies and other organizations of the United Nations system to take all effective measures, within their respective spheres of competence, to assist in the full and speedy implementation of the Declaration and other relevant resolutions of the United Nations bodies,

Concerned that the objectives of the Charter of the United Nations and the Declaration on the Granting of Independence to Colonial Countries and Peoples have not been fully achieved,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sealevel rise,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Also bearing in mind the conclusions and recommendations of the Meeting of Governmental Experts of Island Developing Countries and Donor Countries and Organizations held in New York from 25 to 29 June 1990, 3/

Noting that in accordance with General Assembly resolution 48/193 of 21 December 1993, the Global Conference on the Sustainable Development of Small Island Developing States was held in Barbados from 26 April to 6 May 1994, 4/

Noting also that some Non-Self-Governing Territories participated in the Global Conference as associate members of regional commissions,

1. Takes note of the report of the President of the Economic and Social Council, and endorses the conclusions and suggestions contained therein;

2. Also takes note of the report of the Secretary-General;

3/ See A/CONF.147/5-TD/B/AC.46/4.

4/ For the report of the Conference, see A/CONF.167/9.

3. Reaffirms that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspiration of peoples of Non-Self-Governing Territories to exercise their right to self-determination and independence entails, as a corollary, the extension by the organizations of the United Nations system of all the necessary moral and material assistance to those peoples;

4. Expresses its appreciation to those specialized agencies and other organizations of the United Nations system that have continued to cooperate in varying forms and degrees with the United Nations and the regional organizations concerned in the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and other relevant resolutions of United Nations bodies, and urges all the specialized agencies and other organizations of the United Nations system to contribute to the full and speedy implementation of the relevant provisions of those resolutions;

5. Recommends that all States intensify their efforts in the specialized agencies and other organizations of the United Nations to ensure the full and effective implementation of the Declaration and other related resolutions of the United Nations system;

6. Requests the specialized agencies and the international institutions associated with the United Nations, as well as regional organizations, to strengthen existing measures of support and formulate additional appropriate programmes of assistance to the remaining Trust and Non-Self-Governing Territories within the framework of their respective mandates in order to accelerate progress in the economic and social sectors of those Territories;

7. Also requests the specialized agencies and other organizations of the United Nations system, in formulating their assistance programmes, to take due account of the text entitled "Challenges and opportunities: a strategic framework", which was adopted unanimously by the Meeting of Governmental Experts of Island Developing Countries and Donor Countries and Organizations; 5/

8. Also requests the specialized agencies to take into account the Programme of Action for the Sustainable Development of Small Island Developing States, adopted by the Global Conference, in particular its application to small island Non-Self-Governing Territories;

9. Urges the specialized agencies and other organizations of the United Nations system to formulate programmes that will support the sustainable development of small island Non-Self-Governing Territories and adopt measures that will enable those Territories to cope effectively, creatively and sustainably with environmental changes and to mitigate impacts and reduce the threats posed to marine and coastal resources;

5/ See A/CONF.147/5-TD/B/AC.46/4, chap. II.

10. Welcomes the continued initiative exercised by the United Nations Development Programme in maintaining close liaison among the specialized agencies and other organizations of the United Nations system, and in coordinating the activities of the specialized agencies in extending effective assistance to the peoples of colonial Territories, and calls upon the specialized agencies and other organizations of the United Nations system, as a matter of urgency, to contribute generously to the relief, rehabilitation and reconstruction efforts in the Non-Self-Governing Territories affected by natural disasters;

11. Urges the administering Powers concerned to facilitate the participation of the representatives of the Governments of Trust and Non-Self-Governing Territories at the relevant meetings and conferences of the agencies and organizations so that the Territories may draw the maximum benefits from the related activities of the specialized agencies and other organizations of the United Nations system;

12. Urges the governing bodies of those specialized agencies and other organizations of the United Nations system that have not already done so to include in the agenda of their regular sessions a separate item on the progress made and action to be taken by their organizations in the implementation of the Declaration and other relevant resolutions of United Nations bodies;

13. Urges the executive heads of the specialized agencies and other organizations of the United Nations system to formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant United Nations resolutions and to submit the proposals as a matter of priority of their governing and legislative organs;

14. Draws the attention of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to the present resolution and to the discussion held on the subject at the substantive session of 1994 of the Economic and Social Council;

15. Requests the President of the Economic and Social Council to continue to maintain close contact on these matters with the Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and to report thereon to the Council;

16. Requests the Secretary-General to follow the implementation of the present resolution, with particular attention to cooperation and integration arrangements for maximizing the efficiency of the assistance activities undertaken by various organizations of the United Nations system, and to report thereon to the Council at its substantive session of 1995;

17. Decides to keep these questions under continuous review.
